Carospeed Menox Standard

NEW

Carospeed Menox Stripped

NEW

The Multifunction switches installed inside the handle.

Features:
Indicators, headlights,
wipers and washer

Carospeed Menox Standard

A floor mounted hand control for accelerator and brake with a switch for the Hill-holder and the set function for cruise control, as well as for activating the horn.

The hand control is delivered with a grey handle and the slim designed plastic hard cover in black.

Please add a wire pack for standing pedals.

	type of vehicle	article no.
Carospeed Menox Standard	LHD	102013
Carospeed Menox Standard*	RHD	102014

* For right side in the vehicle (U.K.), operated with left hand. Menox wire pack for installation is also included.

Carospeed Menox Stripped

The stripped version of the hand control has the same features as the Menox Standard, but is delivered without the top of the handle and without the cover for the lever. Choose your own design among the wide range of optional tops and covers.

Please add a wire pack for standing pedals.
